### Product Summary

**Ghosts of Gettysburg III: The Engine House.** The Pioneer Lines Engine House is a relatively modern structure, yet it sits on the hallowed haunted ground of the first Day's battle at Gettysburg. Enter, if you dare with Mark Nesbitt, Brad Christman and the Ghosts of Gettysburg Investigative Team and meet the lively spirits who still work there, still ride the trains, and still demand our attention...decades after they've died.

## Product Gallery

The Pioneer Lines Scenic Railway Engine House is a relatively modern structure, yet it sits on the hallowed hallowed ground of the first day's battle at Gettysburg. Even—if you dare—with the Ghosts of Gettysburg Investigative Team and meet the lively spirits who still work there, still ride the trains, and still demand our attention...decades after they've died.

### Mark Nesbitt

Mark Nesbitt is an author, historian, and paranormal investigator. He has published fourteen books, including several historical works and the national award-winning *Ghosts of Gettysburg* series. His stories have been seen on The History Channel, A&E, Discovery Channel, The Travel Channel, Unsubbed Mysteries, numerous regional television shows, and heard on Coast to Coast AM, and regional radio. In 1994, he created the commercially successful *Ghosts of Gettysburg Candlelight Walking Tour* and in 2006, the *Ghosts of Truittsiding Farm*.

### Brad Christman

With a radio journalism career spanning more than two decades, Brad has been the recipient of more than 80 awards for broadcasting and journalistic excellence from organizations including the Associated Press, UPI, the National Association of State Radio Networks, the National Healthline Awards, the Pennsylvania Association of Broadcasters & more. He met Mark Nesbitt while researching a radio documentary in 2006. Brad was born and raised in Chambersburg, Pennsylvania (25 miles from Gettysburg), and early on, developed a deep respect for Gettysburg's history.
